Thank you for all you do to bring HOPE to your sponsored child. The Lord is using this sponsorship to provide the opportunity for them to attend school, to access basic medical care, and most importantly, to hear the *hope of the gospel* through *Africa Renewal's* discipleship programs. We pray you enjoy this letter from your sponsored child as they share more about their life in Uganda.

Dear Catherine Schubert,

Praise God dear sponsor, how are you? This is Joan greeting you in the name of Jesus. Her and the family are okay. She says that last year was bad because of covid-19 which made to closure of schools but she remained hopeful because God is there. They are two born again in the family and others are catholics. Her pastor is pastor John Magaba. She walks 10 metres from home to church and ministers in Sunday school choir. She loves you so much and may God bless you.

Things I enjoy at school:

Reading books.
Writing.

My leadership responsibilities at home and school:

Washing utensils
fetching water.

Fun Uganda Fact: Did you know that Uganda is home to 1,061 species of birds and also home to the endangered mountain gorillas. They estimate that there are only 1,063 mountain gorillas left in the entire world and Uganda is one of three countries where you can see them!
